

MATHS ACTIVITIES

ALL OF THE FOLLOWING LINKS WILL HELP CHILDREN AND PARENTS TO DEVELOP THEIR MATHS SKILLS:

<https://community.mathletics.com/signin#/student>

We will set Mathletics homework each week, but you can also explore topics on the site for extra learning.

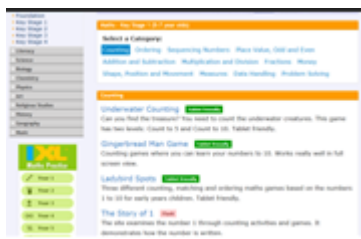

<http://www.topmarks.co.uk/maths-games/5-7-years/counting>

Another excellent site for all kinds of interactive games and activities.

[Subtraction and finding differences](#)

Different levels of activities to practice subtraction.

[Problem solving](#)

This is an excellent site for all kinds of interactive games and activities.

BBC Bitesize:

<https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>

Another excellent site for all kinds of interactive games and activities.
