

Friends of Sézanne

France – Spalding Twinning Association

Bonjour!

Here at St. John's as part of our International School work, we have forged links with a school in France.

Year 5 & Year 6 have had the opportunity to write to and receive letters from children living in Spalding's twinned town, Sézanne, in France.

This year, hopefully in August, it's Sézanne's turn to visit host families in our area. Our partner school, École des Limonières and St John's are proposing a competition for each school to take part in. We would like the children from both schools to make a small guide to our local areas. This can be done in English (Year 6 pupils may label some of the places in French) These will be presented to the twinning committee in August and then displayed in both schools.

If you would like to take part please have a read of the necessary information.

Merci beaucoup,

Madame Roche

Theme : My town

Objective : To showcase our local area and its points of interest

Format: Children's choice (Drawing, Painting, Collage, Photos, Powerpoint)
