

Inventors and Inventions Year 5

Tuesday 21st April

Reading Inference/ Vocabulary Skills Activity

Look at the picture of the house and answer the following questions.

1. An inventor lives in this house. What do you think all the unusual pipes, turbines and propellers are for? Write down your ideas and try to give your reasons.
2. What do you think the inventor is like? Explain your ideas.
3. If this was an illustration from a book, how do you think the house would have been described in the story?
Write down words below that you think could be used to describe the building.
4. Discuss your ideas with another family member - are their ideas similar or different to you?

5. If you could invent a machine for your house, what would it be?

Extra Challenge

Can you draw your own inventor's house? What gadgets would be on the outside of the building? Who would live there?
