

## Tuesday 12<sup>th</sup> May Year 5 Literacy

### Writing Instructions

Your challenge is to write a set of instructions to explain how to plant a sunflower seed in order for it to grow well. Watch the video which tells you how to plant a sunflower and write your instructions. Try to ensure that you use correct technical vocabulary and explain why it needs certain conditions to grow well.

Make sure that they are clear for the reader and have an introduction, step by step instructions, time connectives to link each step and any tips and warnings that would help to ensure the best results.

Use the videos below to remind you how to write clear instructions
