

## Chapter 1 **Double Life**

The quartz spear was nothing special. Plenty like it at the bazaar, for the right price. The spear's cloudy, white point lay on the workstation, next to the pestle and mortar. It glinted dully.

The workstation wasn't special either – a wooden worktop and a shelf of instruments that had never been used: hammers, pliers, chisels. On the right-hand side was a lever with a gleaming handle. Workstations just like this one were used throughout the White Desert and the Silken City to craft new weapons and armour.

Catanna Brittlestar stood before it. She pounded the

pestle into the bowl beneath, until the substance within was ground to a fine powder. This substance was special: topaz.

Catanna had found the topaz gems in a chest on her last raid. In the gloom of a stronghold basement, she had scooped them into her sack without looking and had run before the enemy guild could capture her. It was only when she had reached the safety of the Brittlestar stronghold that she had taken the time to examine the unusual blue gems.

Topaz was rare. Not as rare as diamond, sunstone or fire opal, but rare enough to make powerful weapons. Rare enough to make Catanna and her Brittlestar guild almost unstoppable.

Almost.

Fire opal weapons would make her truly unstoppable. A guild leader who could equip her followers with fire opal weapons would be revered across the White Desert.

What she wouldn't give to be that leader.
