

## Mini Garden Sports Day

In the story of 'Dogger' by Shirley Hughes, there are some sports day races at the school. At home today, perhaps you and your child could enjoy some of the suggested race ideas below.

- The egg and spoon race (The egg could be replaced by a small potato!)
- Balance a bean bag on your head or on a bat and be the first to cross the finish line.
- Throw a bean bag into a bucket and then skip to the finish line.

Maybe your child could come up with their own ideas for some races. We would love to hear about how you get on.
