

Les couleurs

Bonjour la classe!
Comment ça va?

I hope you enjoyed looking at colours
in French last week. The Leon le
cameleon song is very catchy!

This week you can learn your colours a
bit more, make sure you say them
aloud!

www.linguascope.com

Use the log on details sent via email to get on Linguascope, then follow the next few slides to see how to get on the right section to play the games.

Challenge...

Can you complete the 'Controle Final' and see how well you do? Why not screenshot the results page and email it to me !

Pop le Dinosaur

<https://www.youtube.com/watch?v=DticFYSyvo8>

Why not have a look at the story about Pop. Whatever he eats he changes into the same colour! How many different colours can you spot? Can you draw a multicoloured Pop?
